Sir,

I have the honor to submit that the marginally noted land in the Nidavanda village, Nelamangala Taluk, has been darkhasted for cultivation and as there were two applications for it, it was sold by public auction and purchased by one Ramakrishna for Rs: 2/. This land has been included in the list of unoccupied lands, which are within a radius of half a mile from Nidavanda Railway Station, but the Amildar now reports that it is beyond the prohibited distance.

2. As the land was formerly included in the list of lands within prohibited radius, I asked the Amildar to report if the purchaser would take it up temporarily on Yeksal tenure, and the Amildar has forwarded the purchase
